

A full-page background image shows four diverse university students walking and laughing on a paved path. From left to right: a woman with glasses and a white shirt, a woman with long blonde hair in a light blue shirt, a man in a white t-shirt and a checkered jacket, and a woman in a plaid shirt. They are all carrying books or tablets. The background features a stone building and greenery, with a warm orange light overlay on the left and bottom.

SRH Universities — Your Path to Success

Established in 1955, the SRH Holding is a non-profit foundation with historical operations in the healthcare and education sector. With 10+ modern campuses in Germany and Netherlands, over 16.000 students and a high graduate employability rate, the SRH Universities are a top provider of high-quality, state-accredited Bachelor's, Master's and MBAs in Europe, delivered through both English and German medium.

SRH Berlin University of Applied Sciences

With a brand new and high-tech campus coming up this year in the vibrant Neukölln district, SRH Berlin is your n° 1 choice if you are looking to study anything from international business, engineering, IT to design, film, music or creative industries management in a dynamic, modern and innovative environment.

Two additional campuses provide students with further study and career opportunities: One in Dresden, with a focus on business and healthcare management, and one in Hamburg, centered around digital transformation and supply chain.

SRH University of Applied Sciences Heidelberg

One of Germany's oldest and largest private universities, SRH Heidelberg offers a wide variety of study programmes and a full package of student services, from accommodation and cafeteria on campus to career development centre and student library. Excellent rankings and high student satisfaction are what define SRH Heidelberg - the university that truly puts you at its center!

SRH University of Applied Sciences in North-Rhein Westphalia

Germany's first logistics university for undergraduate studies, SRH NRW is proud to offer the most costeffective package of study and services, across its 3 campuses in Hamm, Leverkusen and Münster.

As Germany's core industrial region and the leading business hub in the German states, NRW ranks in the top 3 when it comes to salaries and employability.

Why study at SRH

Setting up New Standards in Education | Accreditation & International Recognition

All SRH Universities are state-accredited by the German Accreditation Council and internationally recognised.

CHE Ranking: Our universities achieved top results in many categories, s.a.

internationality, graduation rate, student support or excellent contact with the industry.

FIBAA Premium Seal: Master's International Management (TOP 10 Master's in Germany).

CORE Principle – exclusive to SRH | Competence-Oriented Research & Education

CORE combines the acquisition of competencies and skills with the joy of learning. You will work on practical tasks in small teams over 5-week blocks and will be offered several examination forms to demonstrate your skills in the way that is the most well-suited to the relevant competences. With all-round support from your professors, you will not only acquire expertise and methods but also improve your personal and social competences on a regular basis.

Career Service | Hand in Hand with the Industry

We believe in an education that is directly related to the work you will do after you graduate.

Gain access to our network of business partners through internships and an early integration of real work projects into your curriculum. Benefit from free German language courses and career support.

Coached and inspired by the best, you will set out on your individual path to a successful career. We can proudly state that 97% of our alumni find employment within one year after graduation*.

International Office | Your Gateway to an International Education

All SRH Universities offer a truly global perspective with an intercultural community that welcomes students of 100+ nationalities. We maintain a close network with hundreds of partner universities, from East Asia to North America, and we are also proud to be part of the Erasmus+ programme which offers students the opportunity to study or intern up to one year abroad.
